Cowboy Up *x is moderate framed, strong topped, and heavy muscled with superb testicular dimension. The first Cowboy Up heifers are doing well in the 2007 show ring: **NAILE - Louisville, Kentucky**: first place - All-American heifer futurity; second place - March heifer; second place - November heifer. **Minnesota Beef Expo**: Reserve Champion Shorthorn Heifer. **Iowa State Fair (PACE)**: first place - Pair of heifers. **Minnesota State Fair**: first place - Get of Sire; Champion & Reserve Champion Heifer Calf (first, second, and third in March heifer class); Reserve Champion Senior Calf (first place November heifer). **Nebraska State Fair (PACE)**: first and second place - March heifers; first place - November heifer. Cowboy Up *x will definitely be an asset to your program whether it is in the show ring, the feedlot, or adding future females to your herd.
